Baglietto 41mt

Fast and sleek, the M/Y HEMILEA is a unique BAGLIETTO. Entirely refurbished in 2014, this 41-metre yacht accommodates up to 12 guests and takes one cruising at a comfortable speed of 24 knots. Her professional and enthusiastic crew offer five-star service. For the more active guests, Hemilea offers a range of various toys, water sport equipment and snorkelling gear, and, in addition, boasts a new Novurania 550 tender, motorized by a Yamaha F115B hp engine, and two Yamaha wave runners positioned respectively on the fly and at the far end of the bow.

SUNBATHING AREA AND STORAGE

You have the choice of having a panoramic lunch on the top deck or a formal dinner on the aft deck protected by the superstructure. The sun lover has a choice of two cushioned sunbathing areas, either on the top deck or forward on the main deck.

can be protected by the bimini top, which can also be used when there are meetings, events like the Cannes Film Festival, the Monaco F1 Grand Prix or a private party. For Static Charters, Hemilea can embark up to 80 people.

COCKPIT TABLE, CHAIRS AND SOFAS

The flying bridge is the ideal location for those who love the sun and al fresco living. It is furnished with sun loungers, a chaise longue and two large tables that, when needed,

The instrumentation in the **WHEELHOUSE**, which is equipped with a twin helm station, radar, Gps, eco-sounder, automatic pilot, satellite radio, etc, guarantees sailing in complete safety. The second steering position on the flying bridge allows one to carry out more precise and safer manoeuvres.

SALOON, KITCHEN, DINING TABLE, BAR

The large and elegant saloon features a cosy area for entertainment with plasma television, DVD and Bose hi-fi

systems, a bar and ensuite dining for up to 12/14 guests. There is exotic Macassar Ebony wood throughout the contemporary interiors which contrasts nicely with the cream-coloured carpets and the selection of fine yet subtle fabrics.

OWNER CABIN

The owner's cabin aboard Hemilea can be found forward on the main deck and includes a king-sized bed and a relaxation area with a sofa and wall-mounted television with a DVD system that can be accessed from a small study that offers the utmost in privacy. The spacious ensuite bathroom, positioned diagonally to port, has a two-seater hydromassage tub and twin washbasins.

VIP CABIN

Five double guest cabins can be found on the lower deck. One is a full-beam VIP double suite with a relaxation area furnished with an angular sofa and ample closet space. It has a private bathroom with a hydromassage tub and twin washbasins. The other four guest cabins include two doubles and two with twin beds.

DOUBLE CABINS - Two double cabins, one of which has a queen-sized bed while the other has an extra Pullman bed, both with ensuite facilities.

TWIN CABINS - Two twin cabins, each with a Pullman bed and all with ensuite facilities and entertainment centres.
